Welcome to AIB

More than 180 academic, support and professional staff members are dedicated to the success of AIB students.

Students are at the centre of everything we do. The AIB academic team strives to develop and adopt academically rigorous practice-centric curricula, innovative learning resources and realistic assessment techniques that cater for the diverse needs of our students. Our highly qualified academic team hold significant qualifications and experience in their field of expertise. AIB academics are regular contributors to leading academic publications, journals and conferences—both nationally and internationally. They are driven by passion and purpose to positively change the lives of AIB students.

APPLY NOW ►

"I would like to welcome you to our AIB community. Our online learning environment allows us to deliver high-quality education to a national and global audience. Our approach is designed to build confidence, capability and momentum so students can progress towards their career goals with clarity and certainty. Whether students progress through our MBA, one of our Graduate Certificates, or one of our research degrees, the focus is always on practical application and career growth. Our regular face to face alumni events provide opportunities for students to interact with their colleagues, and function to bring together our diverse community for amazing networking experiences. It is very rewarding to see how learning through AIB translates into meaningful progress for our students and the organisations they're part of."

Dr Peter Cartwright

Managing Director and Executive Dean

"At AIB we believe in delivering high-quality, innovative education. We give students the opportunity to apply their studies directly to the workplace. This results in a fast return on investment for both students and their employers. I look forward to seeing AIB change your life, and how your achievement will help to inspire others as you become a student of one of our prestigious business programs."

Emeritus Professor Hilary Winchester

Chair of the Academic Board

About AIB

Operating for over 40 years, AIB is a leading teaching and research business school, based in Australia.

As 'The Practical Business School', AIB is committed to serving the needs of working professionals around the world by offering courses which are accelerated, applied, accessible, accredited & recognised.

The suite of business degrees offered by AIB include the: Graduate Certificate in Management (GCM), Master of Business Administration (MBA), Master of Management (M.Mgt), Doctor of Business Administration (DBA) and Doctor of Philosophy (PhD). All AIB courses are offered via Online Learning and are accredited by TEQSA. TEQSA is an independent body funded by the Australian Government. AIB is the largest online MBA provider in Australia* and has a global community of over 20,000 students, alumni, academics and industry experts from over 100 countries. To date, AIB has awarded over 24,000 business school qualifications. The AIB MBA has consistently been highly ranked nationally and globally, and recently reconfirmed its status by achieving a ranking of Tier One (#6) nationally and Tier One (#24) globally (CEO Magazine, 2026).

*see 20 Biggest Online MBA Providers, MBA News (July 2024).

How does AIB compare?

QILT GRADUATE OUTCOME SURVEY 2023-2024 (GOS)

Among 83 participating institutions, an impressive 92.4% of AIB graduates rated their postgraduate Business & Management experience positively, significantly surpassing the national average of 82.6%.*

The Quality Indicators for Learning and Teaching (QILT) are government-endorsed surveys for higher education, capturing the student life cycle. The Graduate Outcomes Survey (GOS) is completed by graduates of Australian higher education institutions. When compared to the satisfaction of postgraduates from business and management courses at other universities and non-university higher education institutions, AIB's results significantly exceeded the national average, setting a new benchmark for postgraduate business education.

Our comprehensive subject guide provides more detailed information about the AIB MBA.

[Download full subject guide.](#)

*Prerequisites apply for Corporate Governance and Project Management.

The AIB GCM is designed for working professionals.

The content, assessments, faculty and learning experience have all been designed to ensure that you can apply your learnings to your workplace, for immediate organisational and career impact.

HOW PRACTICAL IS THE AIB GCM?

- ▶ The learning content is cutting edge, reflecting the most contemporary business issues and topics
- ▶ There are no exams and all assessments are work-based
- ▶ You will learn from and with other working professional students from a variety of industries and backgrounds
- ▶ Your learning experience will include an array of industry guest speakers - leaders from global brands

“I would attribute the GCM being a part of the success of my position at this point in time. It has really fundamentally helped me in a lot of concepts that are going on at a higher level in the business at the moment. These are areas and projects that I would not have looked at before had I not had the theory behind what was going on in the business.”

Chris Lee

*National Business and Reporting Analyst, Qantas Ground Services
GCM Graduate*

APPLY NOW ►

Entry requirements

You must meet one of the following Academic Qualifications criteria:

A MINIMUM OF FIVE YEARS OF RELEVANT WORK EXPERIENCE

Which includes at least three years of management experience or significant technical experience.

OR

A BACHELOR'S DEGREE +2YRS

(AQF Level 7) and at least two years of relevant work experience.

OR

AN ADVANCED DIPLOMA OR ASSOCIATE DEGREE +3YRS

(AQF Level 6) or learning equivalent to an AQF Level 6 qualification and at least three years of relevant work experience.

OR

MINIMUM GMAT SCORE OF 550 +3YRS

Graduate Management Admission Test (GMAT) with a minimum score of 550 and at least three years of relevant work experience.

Recognition of prior learning

If you currently hold a qualification in a business-related field, you could use AIB's Credit Transfer policy to recognise your prior achievement, helping you earn an MBA faster, for less.

English requirements

Our program is conducted entirely in English, and all candidates must meet AIB's English proficiency requirements, irrespective of their location. In areas or nations with more than one official language, documentation proving that your previous education

was in English may be necessary. For more information, visit [AIB's English Requirements](#).

Technical and computer requirements

For a seamless online learning experience and to complete assessments, you'll need to have access to the minimum technical and computer requirements, which includes a computer, plus a smartphone or tablet, and reliable broadband internet.

Alternatively, applicants may receive direct entry into the MBA. For further details refer to [AIB's Entry Requirements](#)

Industry speakers and collaborators

Our course is embedded with insights from some of Australia and Canada's brightest entrepreneurs and top-performing companies through our industry guest speakers and collaborators.

Accredited & recognised

Accreditation ensures that the qualification you earn meets a national set of standards. AIB itself is registered as an Institute of Higher Education and its MBA is accredited by TEQSA (Tertiary Education Quality and Standards Agency), the independent regulator in Australia.

TEQSA accreditation ensures all our qualifications are equivalent in standing to qualifications issued by Australian universities and are compliant with the Australian Qualifications Framework (AQF), a national system of qualifications which encompasses all post-compulsory education in Australia.

Details of AIB's registration status and accredited programmes can be found on the TEQSA National Register.

Both AIB's generalist MBA and MBA (Human Resource Management) are accredited by the Australian Human Resources Institute (AHRI). Additionally, AIB's MBA is accredited by the National Centre for Management Accreditation (NCMA) of the Canadian Institute of Management (CIM). AIB and our postgraduate programs are also recognised internationally by employers and industry associations.
